Artichokes: Ron Son artichokes are the very best quality available from Spain. Each artichoke is hand selected for color, texture and flavor. A highly trained inspection crew rejects defects and selects only the finest artichokes to be packed. Food service operators will enjoy the consistent high quality of Ron Son artichokes.

Ron Son artichokes can be used in salads or as an ingredient in recipes. Another profitable way to serve artichokes is in an artichoke dip as an appetizer.
